produced, performed, composed, engineered, etc. by tony carey, with some help from the usual suspects: koen van baal helped out on drums, as did tom leonhardt on some guitars. Ina Morgen sang the choirs on 'In Babylon'. 'this is heaven' is a co-write, (van Baal/Carey), as is 'Go out Dancing' (leonhardt/carey). mastered by daniel fossum at soundelevator, gothenburg, sweden. art by oliver. all songs copyright t-toons music. Special thanks to anders norman, 'cause hea foo'. Thanks to Smitty in Maryland and Spaceman in Canada for their input... Same for Dave and GB in california. This record is dedicated to the late David Halberstam, whose book 'the fifties' was an invaluable reference, and to the memory of Carl Sagan, for putting things in perspective. Sylvie and joey were always there for me, as was e.a. Scholz, my latest partner in crime.
